The No-Spills Conference is pleased to present the 2019 merit scholarship offered to a single recipient who has demonstrated excellence and outstanding dedication in an area of study that falls within an environmental field of a school or department.

This scholarship purpose is to educate and promote the awareness of hazardous spill response techniques used throughout the nation, and innovative new technologies in the field of environmental emergency response.

Eligibility

- Undergraduate students currently enrolled in college.
- Good academic standing as of fall 2018.
- Declared major in an environmental field (examples include, but are not limited to: biology, geology, environmental studies, environmental engineering, etc.)

Please email this application form, your resume and cover letter to Adamsj1@michigan.gov.

Applications are due no later than Friday, January 4, 2019.
